MICHAEL JACKSON 2025 LARP DATA

24 Seventy weeks are determined upon thy people and upon thy holy city, to finish the transgression, and to make an end of sins, and to make reconciliation for iniquity, and to bring in everlasting righteousness, and to seal up the vision and prophecy, and to anoint the most Holy.25 Know therefore and understand, that from the going forth of the commandment to restore and to build Jerusalem unto the Messiah the Prince shall be seven weeks, and threescore and two weeks: the street shall be built again, and the wall, even in troublous times.26 And after threescore and two weeks shall Messiah be cut off, but not for himself: and the people of the prince that shall come shall destroy the city and the sanctuary; and the end thereof shall be with a flood, and unto the end of the war desolations are determined.27 And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.Sept 24-27...? Yom Kippur = Sept 15/16 Dan 9:15-16 speaks of reconciliation and forgiveness, a prayer poured from Daniel's broken heart after witnessing God's wrath on Israel's children...God answered Daniel's prayer by giving him the "70 weeks" prophecy, which Baptists like to believe has already been fulfilled through Jesus Christ...currently, in real life, Aiwass born exactly 70 years from New Israel's border+wall rebuilding from early 1900s...pay attention! Time is officially no more!!!

REV 1:7 he comes with clouds; and every eye shall see him, and they also which pierced him 1:8 saith the Lord 1:11 I am Alpha and Omega, the first and the last: 1:12 I saw seven golden candlesticks; 1:13 one like unto the Son of man, 1:16 he had in his right hand seven stars: 1:18 I am he that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the keys of hell and of death.1:20 The seven stars are the angels of the seven churches: and the seven candlesticks which thou sawest are the seven churches

- The Seven Churches ARE The Seven Seals - EPHESUS hates 'once saved always saved' = Immortality (Conqueror) SMYRNA hates Synagogue of Satan ie Ashkenazi hypocrites = REV 20:14 (War) [ie Chinatown] PERGAMOS Antipas *see comment below* + idolatry & porneia & 'once saved always saved' = 'THE CHIP' ('Famine') THYATIRA [my home church] + jezebel *see comment below* = CHRONOMETER (Death) SARDIS = THE FILM STUDIO ITSELF (Martyrs) PHILADELPHIA hates Synagogue of Satan ie Ashkenazi hypocrites = PILLAR + '3 names"the' LAODICEANS = MODAL CAROUSEL

* The traditional accounts go on to say Antipas was martyred during the reign of Nero (54-68) or Domitian, by burning in a brazen bull-shaped altar for casting out demons worshiped by the local population.There is a tradition of oil ("manna of the saints") being secreted from the relics of Saint Antipas. Saint Antipas is invoked for relief from toothache, and diseases of the teeth. On the calendars of Eastern Christianity, the feast day of Antipas is April 11. [taken from wikipedia, of course]

** Jehu later ordered Jezebel's eunuch servants to throw her from the window. Her blood splattered on the wall and horses, and Jehu's horse trampled her corpse. He entered the palace where, after he ate and drank, he ordered Jezebel's body to be taken for burial. His servants discovered only her skull, her feet, and the palms of her hands—her flesh had been eaten by stray dogs, just as the prophet Elijah had prophesied. [In the end, Jezebel became nothing more than dog shit.]

I was 7 years old when thriller was released... I remember attending the thriller video after party with the cast of Grease... It was at that time I sang to one of the girls which became the bit Eddie Murphy uses in his comedy routine... The reason why I could not meet people at that time was because I was a child and I was hypnotized and brainwashed and had my memory erased during all of my early performances apparently... I suffer from a dissociative personality disorder and my other personality is Michael Jackson... This other personality has been used and mined by Hollywood for the duration of my existence... Now that I know who I am I expected Hollywood to discount me and my secret identity in order to hide me from my crazy fans as insane myself... I also expected them to set me up and throw me in prison... They've already done that and when I became a Satanist in prison they flat out killed by public image... I have had at least four different impersonators who have created the Michael Jackson myth which everyone reads about in the tabloids and newspapers and magazines... I am not sexually attracted to children... I was set up and thrown in prison over a decade ago and died in prison when I had a problem with my lung which manifested as bronchistasis 15 years later... Because of that I had a stroke and my lung removed... My leg has been broken and I have been strangled which damaged my throat... These things did not happen because of my religious conversions... They're all part of a plan which was formulated before I was born... I am circumcised so I believe deep inside it has something to do with that... I was not raised Jewish but I am still circumcised which pretty much separates Me from everything and everyone... Not to mention I am immortal and I am a genius... And I'm Michael f****** Jackson #michaeljackson

If I have any fans that have found my actual Instagram account, I believe that all of you are extremely brave and all of you are extremely blessed... I assume it is difficult to be someone who loves me, since my entire celebrity persona is surrounded with mystique and mystery and power... People who have acted as my agent or liaison in the past have not had my best interest at heart, and my best interest is to interact with my fans in a way that makes it a positive experience... In real life I am notorious for being very very mean to people, and I apologize to everyone that I have hurt directly and indirectly...#michaeljackson suffers from a very complicated mental illness; I have a dissociative disorder, a separate personality which manifests as Michael Jackson, and this personality has been farmed in mind for content for decades, and I do not want my fans to have to suffer anymore from the psychological damage caused by isolating my disassociated personality in order to exploit me. I understand that I am a scary individual and that I am frightening in person, I will try to tone it down from now on. I really do love all of you and those who have hurt me in the past I will let my fans deal with you. And to all my fans, every single one of you are smart precious and beautiful in my eyes and God's eyes.

#mjjcommunity #michaeljackson I know it's almost impossible to think Wait A Minute...that's Michael Jackson???? yup, trust me, I feel the same way...the industry records my voice when I slept as a child, and I mean a small child, like 6-7 years old...I also sleepwalk, which is how they recorded Thriller and other things...alot of the more tabloid exploits are people who pretend to be me and do stupid things as me, but when it's their turn to sing and dance, my actual family, who knows me and kinda takes care of me in spite of my laziness, finds out that they're obviously fake...I am ready to perform for Sony and fulfill the contracts broken by my faked death...I would like to perform only my hits that everyone knows, and then perform my "other" music as well, ie Illuminati Film School...I also will stream on Twitch as Michael Jackson...I will probably travel to Los Angeles and go to Sony Records and audition...I will not need much, since I am the real Michael Jackson...wait, you're a white guy??? yup...also, I was born in 1975 not 1958...lots of this is wayyyy fucked up but if you stay along for the ride, you are in for a massive treat (hee-hee! ow!) ... uh, wait...not THAT kind of treat...weirdoes....#kekw
